AMENDMENT AND REPLY

Sir:

This responds to the communication mailed from the USPTO on August 29, 2002 (Paper Number 5). Applicant appreciates the Examiner's thorough consideration of the issues presented in the case, and responds accordingly.

In the Claims:

*Please cancel Claim 4.*

*Please amend Claim 1 as follows:*

1. (Amended) A container for holding fishing lures, each said lure having a neck, a lower wire segment and an upper wire segment, said container comprising:

- a bottom;
- a continuous sidewall;
- at least one channel comprising two barriers;
- a first catch above said bottom in each of said channels; and
- a second catch spaced vertically from said first catch and positioned above said bottom in each of said channels;
